# DISCOVERING ENDANGERED WILDLIFE

The future of these splendid animals is in your hands...

You have been contacted by Wildlife Federation members of the Future asking you to embark on a mission to help save these endangered animals.

Experience incredible sights and sounds as you set out on an expedition in learning. As you attempt to locate the information you need to complete your mission, you will encounter challenging puzzles and witness spectacular images of animals and their habitats from around the world.

Discover the dangers that face these animals and threaten their very existence, and learn how to chart a new course for their future!
